Ascent Of Man By Henry

The Ascent of Man is a 13-part British documentary television series produced by the BBC and Time-Life Films first broadcast in 1973. It was written and presented by British mathematician and historian of science Jacob Bronowski, who also authored a book adaptation. Intended as a series of "personal view" documentaries in the manner of Kenneth Clark's 1969 series Civilisation, the series ...

Henry VIII and His Six Wives (1972) - IMDb

King Henry II of France was a determined, ruthless, and tricky man. He was always out for what was best for France, however, he failed to see the larger picture at times. He once tried to teach his son that as future King he needed to be willing to make lots of deals. Then be willing to break them in favour of something better. Early Life

Henry Joost and Ariel Schulman were announced as directors, although it's been some time since we've heard any news from the pair. In fact, Netflix hasn't confirmed a live-action Mega Man movie. This info comes via Joost's production company Supermarche (courtesy of Comic Book.com) which recently updated its bio to include upcoming projects.

After the portrait is finished, Lord Henry admires it, but Dorian feels sad looking at it, suddenly aware that his youth and beauty will not last forever. In chapter three, Lord Henry does some sleuthing into Dorian's background. He finds out that the young man has an unhappy past, coming from a family with a troublesome social background.
