If you want to be free, try to introduce a little spontaneity into your life so you're not tied into the same routine. For example, try a new cuisine or a new activity to step outside of your comfort zone. Consider travelling out of town or to a new country, since free spirits never stay in one place for too long.

When you block a person, they can no longer invite you to a private message or post to your profile wall. Replies and comments they make will be collapsed/hidden by default. Finally, you'll never receive email notifications about content they create or likes they designate for your content.

Are you free or Will you be free? | The Grammar Exchange

When you breathe, breathe as a free person. This is possible anywhere. By cultivating freedom for yourself, you will be able to help the people you live with. Even though you live in the same place, with the same physical and material conditions, if you practice, you will be a much freer person, a more solid person.
