The video above shows you how to replace the battery in your 2018 Buick LaCrosse. We recommend changing the battery in Buicks every 4 years. Although some batteries last much longer, most batteries begin breaking down chemically after four years, so you could experience dimmer headlights and other negative effects before you have a dead battery in your LaCrosse that you need to replace.

Buick (/ ˈ b juː ɪ k /) is a division of the American automobile manufacturer General Motors (GM). Started by automotive pioneer David Dunbar Buick, it was among the first American marques of automobiles, and was the company that established General Motors in 1908. Before the establishment of General Motors, GM founder William C. Durant had served as Buick's general manager and major investor.
