Top of the carburetor to the float bowl gasket may be leaking due to bad, or wrong gasket, or a warped float bowl, which is not uncommon on the Quadrajt. Check the float level. Carburetor mounting bolts are loose. Secondary throttle valve alignment. Polish the pump well with crocus cloth, or 2000+ sand paper.

Quadrajt Troubleshooting - Mikes Carburetor Parts

The AFB is shaped far differently from a traditional Holley 4150/4160 carburetor, and the mounting pattern can be different, but modern Edelbrock variants are produced with two bolt patterns and will fit on most square-bore manifolds (as compared to the spread-bore variety used with a Rochester Quadrajt).

Car & Truck Carburetors for sale | eBay

A carburetor (American English) or carburettor (British English) is a device that mixes air and fuel for internal combustion engines in an appropriate air-fuel ratio for combustion. The term is sometimes colloquially shortened to carb in the UK and North America or to carby in Australia. To carburate or carburete (and thus carburation or carburetion, respectively) means to mix the air and ...

Carburetor - Wikipedia

A carburetor spacer is a great way to raise your engine's power band and insulate the carburetor from intake manifold and engine heat. JEGS offers a wide selection of carb spacers from some of the top manufacturers like Edelbrock carb spacers , Holley , Mr. Gasket , Moroso , Transdapt , JEGS , and more.
