CHAPTER 1 INTRODUCTION Background of the Study The rise in the use of the internet has led to many changes in our daily life. In particular, this rise has also led to the rise of online gaming. Online gaming can refer to any type of game that someone can play through the internet or over a computer network.

CHAPTER 1 INTRODUCTION Background of the Study - Academia.edu

The research questions (RQs) drive data collection and must be derived directly from the purpose of the study. This means they will also have to align with the research method. Although it is recommended that a single, central research question be developed to guide dissertation studies; this isn't always possible.

1.2 Why Study Earth? The simple answer to this question is that Earth is our home — our only home for the foreseeable future — and in order to ensure that it continues to be a great place to live, we need to understand how it works. Another answer is that some of us can't help but study it because it's fascinating.
