Close To The Machine Technophilia

Ellen Ullman's Close to the Machine: Technophilia and its Discontents is autobiographical, yet is written in a erudite, breezy style that comes off the page as though she is actually sitting there, on the couch with the reader, who just happens to be her best friend. I'd almost say stream of consciousness.

computer programmer with the social and philosophical repercussions of her work.

Close to the machine : technophilia and its discontents ...

A friend of mine linked me to Robin Sloan's fantastic interactive review of Close to the Machine and after reading it, I immediately placed a request for the book through the library where I work. And once it came, I couldn't wait to start reading it. And, well, it was fantastic, in every way. I am not, nor will I ever be, any sort of computer programmer/engineer/etc.
