Retail sales training and customer service training are similar, but are not really the same. Retail sales training is designed to convert more shoppers into customers so the store can exceed sales goals. Customer service training is most often used to keep existing customers from leaving and to improve Net Promoter Score or social media reviews.

The NAMSAR offered the only medical sales vocational training - RMSR program I could find and of course the online/training manual format provided a truly flexible experience that you can't get from any ground classroom. The education has already opened several doors for me within the medical sales industry.
