It's called Baldcafe and the channel wants to alter the narrative around balding. Losing one's hair can often feel isolating and can sometimes trigger an identity crisis. Though going bald is not a life-threatening condition—and often serves as a punchline—it is a condition that can cause great distress to the people who experience it.

While you want to stain your hair, you do not want weird blotches of cherry red all over your carpet and favorite shirt. Cover any surface around you that might get dye on it and put newspapers on the floor. Have paper towels nearby to deal with spills. Wear a ratty old shirt you do not like, preferably one you are ready to throw away.
