The tabletop roleplaying game that started the Old World of Darkness line. White Wolf, the game's publishers, subverted many tropes of roleplaying games from the late 80s by making the player characters monsters (as opposed to heroes who hunt them) and installing a Karma Meter that makes violence a dubious solution in many situations. In this game, players take the roles of vampires (aka the ...

v INTRODUCTORY NOTE. Whatever controversies may be astir as to the precise objects of a classical training, it will hardly be disputed that if that teaching has been successful the pupils will sooner or later be able to make out an ordinary passage of 'unseen' Latin or Greek. It is a test to which

the purely linguistic teacher must obviously defer: while the master, who aims at imparting ...
