### **Hopkins Brake Controller Wiring Diagram**

@PaulT The Hopkins # 47205 is a bumper mounted 7-way connector for standard connection to RV trailers. It assumes that your vehicle already has a flat 4-way connector. If you don't have the 4-way connector you will need to install the Tekonsha # 118329 kit to create it. The Reese 8508211 brake controller you mentioned is not a product we carry, so I don't have information about their wiring.
