EMS (Educational Music Service) is the primary supplier of purchasable, printed sheet music of all kinds (orchestra, choral, band, chamber, opera, educational, school, books, software) to major institutional customers. Very sensitive to delivery deadlines for performing organizations.

EMS Home Page - Welcome!

In arithmetic, long division is a standard division algorithm suitable for dividing multi-digit Arabic numerals (Positional notation) that is simple enough to perform by hand. It breaks down a division problem into a series of easier steps. As in all division problems, one number, called the dividend, is divided by another, called the divisor, producing a result called the quotient.

Toxoplasmosis is one of the more common parasitic zoonoses world-wide. Its causative agent, *Toxoplasma gondii*, is a facultatively heteroxenous, polyxenous protozoon that has developed several potential routes of transmission within and between different host species. If first contracted during pregnancy, *T. gondii* may be transmitted vertically by tachyzoites that are passed to the foetus via ...
