The Jetsetter LX is ideal for those looking for a small luxury hot tub that offers all the features of a large spa. This spa fits well in areas where space is limited, yet still offers a 33" depth and enough room to comfortably seat up to three people. This rectangular hot tub is ideal for smaller patios, yards and decks.

• Install your spa is such a way that drainage is away from the electrical compartment and from all electrical components. DO: • Be sure your spa is connected to the power supply correctly - use a licensed electrical contractor. • Disconnect the spa from the power supply before draining the spa or servicing the electrical components.
