Popular Economics, RealClearMarkets editor John Tamny tells readers that the complexity of markets purported by politicians and some economists is misleading. The powers-that-be are able to maintain the status quo by convincing the consumer to leave economic decision making in their hands, while their overcomplicated, bureaucratic solutions show their poor comprehension of economic principles .

"Most people do not begin life on top. Politicians who raise income tax rates on top earners in the name of "fairness" are telling the strivers lower down that they will incur a penalty for succeeding." — John Tamny, Popular Economics: What the Rolling Stones, Downton Abbey, and LeBron James Can Teach You about Economics
