Redemption The Alexa Montgomery Saga

The Alexa Montgomery Saga has everything you could want in a paranormal series: plenty of action, a great romance, a kick-ass heroine, and a supporting cast that you really care for. This is one of those few series that I've felt very invested in what happens to these characters - Gordon has that magic that draws you in and makes this world you're reading about live and breathe.

The point of view expands from just Alexa in the first book, to Alexa and Nelly in the second and now Alexa, Nelly, Kayden, The King, Jackson. I feel this is spreading the reader too far, if the writer wanted us to see the book from all angles the whole thing should be written in 3rd person, rather than switching from 1st to 3rd, it makes me feel a bit detached from the story.
