The gay panic defence or homosexual advance defence is a legal strategy in which a defendant claims to have acted in a state of violent, temporary insanity, committing assault or murder, because of unwanted same-sex sexual advances. A defendant may allege to have found the same-sex sexual advances so offensive or frightening that they were provoked into reacting, were acting in self-defense ...

Gay panic defense - Wikipedia

In English law, provocation was a mitigatory defence which had taken many guises over generations many of which had been strongly disapproved and modified. In closing decades, in widely upheld form, it amounted to proving a reasonable total loss of control as a response to another's objectively provocative conduct sufficient to convert what would otherwise have been murder into manslaughter.

Provocation in English law - Wikipedia

It is a matter of common knowledge that mens rea and actus reus combined together essentially constitute the majority of the offences under the Indian Penal Code, 1860.The essence of criminal law lies within the maxim ‘actus non facit reum nisi mens sit rea’. The maxim says that the act is not culpable unless the mind is guilty.

Defence elements block the transition from the existence of that reason to the conclusion that (D) ought to be convicted of a crime. On this view, whether we should think of the absence of consent as an element of the offence of sexual assault, depends on whether we think that there is a general reason not to have consensual sex with others.

Theories of Criminal Law (Stanford Encyclopedia of Philosophy)

Alec Baldwin refuses to turn his phone over to investigators, who have a warrant to seize it. They believe it could provide evidence clarifying the chain of events that led to the shooting death of a cinematographer on the set of the film “Rust” in New Mexico in October.
