Linear Equations Using  
Matrices Hi there! This  
page is only going to  
make sense when you  
know a little about  
Systems of Linear  
Equations and  
Matrices, so please go  
and learn about those  
if you don't know them  
already! The Example.  
One of the last  
examples on Systems  
of Linear Equations  
was this one:
