Spook Country

Spook Country is a 2007 novel by speculative fiction author William Gibson. A political thriller set in contemporary North America, it followed on from the author's previous novel, Pattern Recognition (2003), and was succeeded in 2010 by Zero History, which featured much of the same core cast of characters.

Spook Country - Wikipedia

Spook Country follows three groups of characters whose story threads merge as the narrative unfolds. The action moves from various parts of the United States to Canada as the protagonists pursue their agendas.

Spook Country (Blue Ant, #2) by William Gibson

Spook Country follows three characters -- Hollis, the former lead singer of a semi-successful indie rock band, Tito, the young member of a Cuban "boutique" crime family, and Milgrim, an addict who has somehow fallen in with a mysterious intelligence agent called Brown.

Summary and reviews of Spook Country by William Gibson

A nation does not consist of its situation at a given time. If an individual's morals are situational, that individual is without morals. If a nation's laws are situational, that nation has no laws, and soon isn't a nation." — William Gibson, Spook Country

William Gibson | Seattle Weekly

Spooky Country by William Gibson is the second book in his Blue Ant series, so you know Hubertus Bigend is a character, but much like in Pattern Recognition he's the invisible hand that alters the narrative, not an obvious actor. This novel focuses instead on Hollis Henry, an aspiring journalist that Bigend hires to find the elusive Bobby Chombo.
