However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

The End Of The American

American culture has been swept aside by “woke social justice” ideology, a neo-marxist framing of American society in terms of identity class conflict. Feminist, race, and sexuality activists have pushed a narrative that divides American society into white, male, heterosexual oppressors, on the one hand, and, on the other, the oppressors ...
