Ladies Flower Garden of Ornamental ... - William Morris Tile

Morris considered the garden inseparable from the house and rejecting the formality of High Victorian fashion, he drew inspiration from medieval and Tudor gardens. He planted old fashioned flowers, such as roses, honeysuckle and lavender which continue to be grown here and the garden inspired many of Morris's designs, including his first wallpaper pattern, 'Trellis' in 1862.

William Morris' garden | National Trust

A childhood love of nature. A love of the natural world can be traced back to William Morris's childhood. The son of a wealthy broker, he grew up exploring the large gardens at his family home, Woodford Hall in Essex and the nearby woods on the edge of Epping Forest.

National Trust gardens: Behind the scenes at William ...

William Morris (1834–1896) was the towering figure in late 19th-century design and the main influence on the Arts and Crafts movement. The aesthetic and social vision of the movement grew out of ideas that he developed in the 1850s with the Birmingham Set – a group of students at the University of Oxford including Edward Burne-Jones, who combined a love of Romantic literature with a ...
