The New Comparative Theology Interreligious

Lucidly written and highly accessible, "Comparative Theology" teaches us how to read sacred texts—our own and others'—with humble minds and open hearts, so that we can see both similarities and differences between our religious tradition and others'. Warning us not to take his book as a recipe for doing comparative theology.

The New Comparative Theology: Interreligious Insights from ...

About The New Comparative Theology. This book is an extended, critical reflection on the state of interreligious dialogue in its modern version. While there has been some important writing in the field of comparative theology, there has been no extended, critical reflection on the state of the discipline in its modern version, its strengths and problematic areas as it grows as a serious theological and scholarly discipline.
