It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

The Power Of Less The

According to Babauta (Zen to Done), employing the power of less will propel readers from chaos to blissful and productive minimalism. Learning to set limitations, such as penning a three-item Most Important Task list every day and restricting e-mails to five lines, is a cornerstone for the authors plan for increased simplicity and satisfaction.
