Walking Through The Random Walk Guide To Investing. The Random Walk Guide To Investing clearly targets beginning investors; it struck me as having more directly applicable advice than Malkiel's other book, but also written at a simpler level than A Random Walk Down Wall Street. Most of the book goes over what the cover describes as "ten rules for financial success," most of which are simply very sound personal finance objectives.

Review: The Random Walk Guide to Investing - SLG 2020

Today I'm reviewing the book The Random Walk Guide to Investing by Burton Malkiel.. Don't confuse this book with the classic book A Random Walk Down Wall Street by the same author. I also recommend the other book, but this one is much easier to read, while retaining the gist of the classic book.It comes as a small 200-page paperback, packed with pretty much all you need to know about ...
