The discussion of leadership in Western political philosophy has been marked by a durable tension between the expertise and creative possibilities of leadership, on the one hand, and the dangers of leadership, the need to control the exercise of power, on the other.

Western Political Thought - Oxford Handbooks

This book explores recent work by Western liberal theorists on ethnocultural pluralism, and shows Western liberals that conventional ways of distinguishing between ethnic relations in the East and West do not help in understanding or responding to ethnic conflicts in the post-Communist world. The book is divided into three parts.
