The Westwood Lodge | ABI Holiday Homes

One requirement of the LCR is corrosion control treatment to prevent lead and copper from contaminating drinking water. Corrosion control treatment means utilities must make drinking water less corrosive to the materials it comes into contact with on its way to consumers' taps. Learn more about EPA's regulations to prevent lead in drinking water.

Unfortunately, there is not an E.ON free phone number. As an 0345 number, the E.ON Energy contact number is a special type of landline phone number. The cost of calling this number is not linked with geographic locations within the country. It costs the same to call this type of number as it does to call a normal business or home landline.

E.ON Contact Number & Email: Help & Complaints - Selectra
